Testimonials

Thank you both so much for an amazing wedding on Friday. Jarrod and I had the best day and that is largely thanks to you both and the amazing service you gave us through the organising stage and on the day/night too. Every request we had you were able to accommodate and your enthusiasm for our day made us feel very special. The weather turned out perfect and I saw that it has been snowing since so we definitely got lucky! Everyone has commented on the food and how it was one of the best wedding meals they have ever had. I wish we could do it all over again! - Kristy and Jarrod (May)

I just wanted to say a massive thankyou for all the organisation and running of our reception! We couldn't have asked for more and it was even better than what we imagined it would be! We are still hearing from our guests what a great time they had (and especially how good the food was) so Thankyou so much for making our day extra special.. - Lilli and Ethan (March)

A huge shout out to the team who were there on the night. Holly, Louis and the whole gang were honestly so kind, attentive and patient. Even at midnight, after they'd worked so bloody hard all night, they were all so kind and made our night fantastic. You have a truly wonderful team. - Erin and Mitch (March)

My wedding was more than I could have imagined. It was a perfect day. The ceremony gosh.. I had so many compliments. The staff went above and beyond to make it beautiful for us even having signs out to direct in to the venue. Reception I was nervous as I didn't see it beforehand, but it was above my expectations. Simple, classic but just beautiful. Staff were all lovely and patient when one guest had too much to drink. It looked perfect and I am so glad we decided to get married there. Thank you so so much. - Jessica (May)

Holly & the team were nothing but outstanding in the lead up to our wedding, on the day and post. They went above and beyond in all aspects. Food was excellent. We send our heartfelt thanks to Holly, Jo and all others at RPH who helped in giving us an unforgettable day. - Catherine & Brendan (June)
